Stimate participant,

Multumim pentru timpul acordat completarii acestui chestionar despre digitizare si industrie 4.0. In cadrul proiectului ERASMUS + DiGI-VET, ne concentram asupra noilor evolutii in domeniul digitalizarii in cadrul Uniunii Europene si al statelor sale membre. Scopul principal este de a obtine informatii despre situatia actuala, despre provocari si schimbari, precum si despre perspectivele acestor domenii. Prin urmare, este important sa avem o analiza concreta a modului in care oamenii din tarile Europei se preocupa de aceste domenii si de evolutiile acestor domenii in viitor.

Deci, este interesant pentru noi sa obtinem de la dumneavoastra informatii despre modul in care va ganditi la aceste aspecte.

Iata mai jos cateva informatii suplimentare.
